Dear Sir:

The owner of record of a 100 percent interest in the above-identified application, Medtronic, Inc. (Reel/Frame 010562/0983), hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the term of prior U.S. Patent No. 6,721,600. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors and/or assigns.
